COMPLAINT AND DEMAND FOR JURY TRIAL

13
14 Vs.

15
16 TAKO LLC, *AHP REALTY*

17 Defendant.
18 _____/

19 COMES NOW Plaintiff Parnell Colvin, and is filing this complaint in federal court and
20 is requesting that the federal court lets him litigat this claim in said jurisdiction in the interests of
21 justice being served.

22
23 GENERAL ALLEGATION
24 _____

25 The defendant has created a forged and fraudulent contract agreement and filed with
26 the state courts the contract that was submitted with the intent to fool and trick state courts is not
27
28

1 Colvin contract by the defendants committing forgery under 18.U.S.C. 471 and other violations
2 further 18.U.S.C 472 and 473 under federal statutes. Title 18 section 471 of the United States Code
3 defines this is a federal crime. Forgery is the production, copying, or imitation of documents or
4 objects with the intentions of deceit. This is exactly the conduct the defendant committed in carrying
5 there criminal acts. Colvin and Brown are victims of the alledged crimes committed by the
6 defendants.
7

8
9 Tako LLC, had a partner in the scheme that it conspired with and that defendant is
10 (AHP Realty) these two defendants plotted and conspired to create the fraudulent agreement
11 contract , steal Ms. Brown identity then forge her personal information on the fraudulent document
12 also changing the dates on Colvin original contract 18 U.S.C 371 the defendants meet the elements
13 of federal conspiracy (1) a mutual agreement or understanding, (2) knowingly entered by the
14 defendants, with (3) an intent to jointly commit a crime. Which Colvin strongly believes were
15 committed by the defendants.
16
17

18
19 The defendants have also violated section 18 U.S.C. 1028 is a federal statue that reads
20 taking another persons identity for fraud , false statements, or misrepresentations this is the
21 conduct of the defendants. Colvin has brought his claim to federal court as the state courts knows
22 this document is forged and fraudulent they have looked the other way and have chosen not to
23 uphold the rule of law. Because of this Colvin believes his rights to a fair and just court proceedings
24 and his constitutional rights to contest the fraudulent document and get any response from the state
25 courts on this matter has been ignored
26
27
28

1 The states courts have simply ignored the contract filed by the defendants is a
2 fraudulent document because if the states courts address it has to be on the record and ultimately\
3 the state court would have to dismiss the case. The issue Colvin has is that the state courts want
4 address the fraudulent contract and this is a denial of Due Procees Colvin has the federal right to
5 a fair due process and here his rights have been violated.
6

7
8 Colvin Fourteenth Admendment, Section 1: rights have been violated all persons born or
9 naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the
10 United States and of the state statewherein they reside. No state shall make or enforce any law
11 which shall abridge the privlieges or immunities of citizens of the United States; nor shall any state
12 deprive any person of life, liberty, or property, without due process of the law; nor deny to any
13 person within its jurisdiction the equal protection of laws. This is exactly what Colvin has been
14 dealing with and the reason for bringing this cause of action to the federal court to obtain
15 due process of the law.
16
17

18
19 Colvin also believes his Fifth Amendment to the United States Constitution have also been
20 violated. In 1791 as part of the Bill of Rights was ratified , along with nine other aspects of the
21 Constitution. The Fifht Admendment applies to every level level of the goverment, including the
22 federal, state and local levels, in regards to a u.s citizen or resident of the US. The
23 United States Supreme Court furthered the protections of this admendment through the
24 Due Process Clause of the Fourhteenth Admendment. Colvin believes in the interests of fairness
25 and due process he had no choice but to file his claim in ferdal court to protect his rights.
